

Quality Policy Statement

The Directors and Senior Management of Cameron Forecourt Ltd have total commitment to the effective maintenance of a Company wide Quality and Business Management System.

The documented System satisfies the requirements of BS EN ISO 9001:2008, and it is the responsibility of all Company personnel to ensure their ongoing compliance with the relevant procedures and work instructions.

Our aim is to develop total customer satisfaction. We believe that constant high quality and technical expertise in all we undertake to be crucial to our customers. We will continually strive to improve our business to achieve these objectives in the knowledge that this will promote a high level of confidence and establish a stable relationship with our customers and our own employees.

To maintain standards and a consistency of quality in our activities, programmes of audits are undertaken on personnel, procedures and work instructions.

We will ensure that Management, Technical, Sales and Administration staff are fully conversant with all of our objectives through an ongoing programme of training and education at all levels within the company.
