Dear Tony

**PUMP INSTALLATION AT SALEN JETTY**

Please find attached our cheque for the balance owed at the above installation.

We would like to thank you very much for the excellent service you have given. Can you also pass on our thanks to John and Rick who did a very good job with the installation. It is good to deal with a company that values the service it offers.

We have done a couple of small sales of diesel but word is getting around that we have a new, totally clean installation so hopefully this will encourage yachts to use our supply.

Once again many thanks.

Yours sincerely

Mark & Jan Drury
